Sponsorship Form 2026

Thank you for your interest in the Thrapston Charter Fair. The event is organised by a team of volunteers who have a shared passion for celebrating the heritage of our town and encouraging a positive community spirit. We want the event to be a showcase for local groups and organisations and to foster positive relationships with our local businesses. We run entirely on grants, donations and sponsorship and are very grateful for any amount you may be able to offer. All sponsors will have great advertising on our website, social media and on banners on the stages and in the High Street on the build up to and during the event.
